

MindBridge Freedom – Quick User Guide

MindBridge Freedom, a reservation-less service allows you to dial into a conference without making any prior Reservations, anytime, anywhere

Using this service is simple; just initiate a conference by simply dialing the local dial-in number and entering your passcode.

Getting started

To initiate a conference, please follow the procedure given below:

Step 1

Invite the people you wish to communicate with and share the following information with them:

- ▶ Date and time of the conference (with Time Zone)
- ▶ Dial-in number of their country
- ▶ Guest code

Step 2

Dial the toll free/toll access number of your country and follow the IVR menu, as a host, enter your host code and join the conference. Your guests can enter the guest code to join the conference. Now you are connected with your participants and you can start the discussion.

Operator Assistance

For immediate assistance during the audio conference call, please dial *0 (zero) on your telephone keypad. This service is available 24x7x365 days.

Security

Please protect your pass codes. Customers are responsible for all conferences that occur using their pass code. For security reasons, do not place pass codes on corporate or internet web sites or on public display. In particular, keep the HOST codes confidential.

Quick links

Use the below link

<https://www.reliancemindbridge.com/userguide-freedom.aspx>

Note:

*:Number is chargeable from operators other than Srilanka Telecom.

**:Number is chargeable from operators other than Hutchison telecom.

Note:

Please keep your conference secure, press *0 for IVR main menu followed by *2 for roll conference. By doing so, you can listen to the names of the participants and the participant count. This is how you can identify who has joined your conference and restrict the unwanted participants to join your conference. You can also have a private roll call by pressing *0 *6 *7.
